

## **For You Are Good**

### ***Verse 1:***

When the weight of the world has me  
down

And my spirit is overwhelmed  
When the darkness is all I can see  
And I fall, you carry me

### ***Pre-Chorus:***

For you sustain all who  
Call on your name Lord my  
Heart and my soul cry out

### ***Chorus:***

I'll put my trust, my hope in you  
Though the mountains they crumble  
And the oceans they roar  
I will not fear, I'll run to you  
Believe in your word  
And stand on your truth  
For you are good, for you are good

### ***Verse 2:***

I'll remember all that you've done  
And declare, you're the faithful one  
How you sought me and taught me your  
ways

You're my refuge, my song, my praise

### ***Pre-Chorus:***

For you sustain all who  
Call on your name Lord my  
Heart and my soul cry out

### ***Chorus:***

I'll put my trust, my hope in you  
Though the mountains they crumble  
And the oceans they roar  
I will not fear, I'll run to you  
Believe in your word  
And stand on your truth  
For you are good, for you are good

### ***Bridge:***

Peace like a river, love never failing  
Drawing me closer, delivering me now  
Oh you give peace like a river, and your  
love's never failing  
Drawing me closer, delivering me now

### ***Chorus:***

I'll put my trust, my hope in you  
Though the mountains they crumble  
And the oceans they roar  
I will not fear, I'll run to you  
Believe in your word  
And stand on your truth

I'll put my trust, my hope in you  
Though the mountains they crumble  
And the oceans they roar  
I will not fear, I'll run to you  
Believe in your word  
And stand on your truth  
For you are good, for you are good
